(<http://www.mahoganyknotsblog.com/>) and Lexi of Curls, Coils & Kinks (curlscoilsandkinks.com) put on such an awesome event that celebrated natural beauty. Guest speaker and host for the evening was Jane Carter, Creator & CEO of Jane Carter Solution. The dimly lit room was warm and welcoming and exuded a plethora of texture. I was truly overwhelmed by the magnitude of all things kinky gathered under one roof. I am continuing this celebration by running a bevy of promotions and giveaways throughout the spring and summer months... Stay tuned.

@ Calm Delight, Dr.Miracle's hair products is one that I am impartial to. I have heard positive things from most users. However, I am not one of them. I don't use the product line but I am familiar. While, I can not say that Dr.Miracle will help your damaged hair, I can not say it will hurt. My suggestion is try it and see how it works for you. If it works make it a mainstay, if it does not trash it!!
