Jane Carter Solution Twist and Lock

### Ingredients:

Purified water, shea butter, kokum butter, illippe butter, mango butter, vitamins A, D, and E, sweet orange, lemongrass, grapefruit, palmarosa, cedarwood, geranium, bergamot, rosemary essential oils, jojoba, glycerin, polysorbate 80, acrylates/C10-30 alkyl acrylate crosspolymer, phenoxyethanol, potassium sorbate and sorbic acid

**Directions:** This product was designed to be used on freshly twisted hair.

**Consistency:** Slightly "gummy" – not a cream, oil, or gel

**Review:** The Jane Carter Solution Twist and Lock comes in a wide-mouth jar which makes it easy to use. Since this product is not oil, wax or petrolatum and will not attract dirt which is great.

I used this on both damp and dry hair and I found that it worked better on dry hair. Out of many of thousand of products I've used (heh) over the years this has been one of the few that worked better on my dry hair. This is great for re-twisting at night or if I wanted to do some quick braids after a twistout. Although it is slightly pricey, I find that it does last long.

**Tip:** Do not use more than a dab on a small section or you may end up with greasy hair.

**Overall performance:** 4 out of 5 stars (I didn't care for the scent too much and it lingers).
