Good Leave ins or moisturizers??

Hey, does anyone have any suggestions for a good leave in or a moisturizer. I'm currently using neutrogena tripple silk mositure leave in as a leave in conditioner and a moisturizer but i dont wanna depend on it too much because i've noticed in my area its slowly dissapearing from stores, not everyone carries it like before. Looking for something not too thick but provides alot of mositure

Re: Good Leave ins or moisturizers??

My leave in is Garnier Fructis for colored treated hair. I use it to detangle and it leaves my uncolored airdried hair soft. But I use QP mango butter as a moisturizer for my ends...contains protein.

Re: Good Leave ins or moisturizers??

HE LTR leave-in, every target I ever been to carries this, also I use the Suave Humentant conditioner as a moisturizer/leave-in as well. But lately I been using my butters as moisturizer alone.

I use ORS Olive Oil in the jar and it keeps my hair moisturized without weighing it down and it's easy to find in stores.

Re: Good Leave ins or moisturizers??

Leave in:
Redken anti snap.
HE LTR mixed with Matrix anti friz creme

Daily Moisturizer:
Jane Carter Nourish and Shine(smells AMAZING by the way!)
Mane n' Tail stregthening conditioning spray,ORS olive oil lotion(can be a little heavy if you use too much),
Jane Carter Revitalizing leave in doubles as a leave and daily moisturizer.

I still have a little of my NTM silk touch leave in left and I like it but my favorites are the Mane n' Tail spray and the Jane Carter leave in spray.

I forgot about LTR!!! It's great. I haven't been able to find it in most stores...I bought it this summer when I was in Chicago. I think I'll check Target and, if not, get it offline.

Re: Good Leave ins or moisturizers??

bumping this one 😊

Avoid vaccines, they contain aluminum, mercury, MSG, aspartame/formaldehyde, squalene, mutagens etc that cause diseases like lupus, arthritis, Gulf War Syndrome, Zombie/Sheeple Syndrome, Parkinsons, Alzheimers, allergies, asthma,? cancer, ADD/autism etc. Still the genocidal WHO is pushing the h1n1 shot when vitamin d3, silver, garlic products etc. should be promoted

I really like NTM Silk Touch LI and HH LTR Split End stuff. I like silky feeling like those compared to heavy cream.

I hope NTM will still be around.....

Re: Good Leave ins or moisturizers??

I like Garnier Triple Nutrition 3 minute undo mask
but I recently discovered Hairveda Sitrinihla Deep Conditioner, which has more natural products and
makes me hair feel the same as the Garnier, so I think I will begin phasing my Garnier out or maybe
using it more for co-washing.
