On Saturday April 24th 2010, Vitalize Entertainment celebrated the launch of its music label division. We did what we did at the Dumbo Loft with an open bar mixer, live performances and topped it off with a bashment-esque 90s party. Fam came through from BK to LA to help us celebrate. Our guests, who came dressed to kill, left with a gift bag full of fresh and fashionable goodies from Jane Carter Solutions, New York Yoga, Carolina Notepads and of course Vitalize Entertainment.
